

HIGH MEADOWS FARMS

Helmet Release

I, _____, certify that I have been warned and informed by Sue Ballentine that I should purchase and wear while riding or near horses a properly fitted and secured ASTM Standard/SEI approved equestrian protective headgear with a strap to prevent injury as a result of a fall or other occurrences or to prevent death from happening as result of a fall or other occurrences. I am not relying on Sue Ballentine to monitor my compliance with this suggestion.
